

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Summary

Ajo

June 1, 2017

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

Industry/Business Update

For the most recent FCX financial information please visit: [Freeport-McMoRan Investor Center](#)

Ajo Operations Update

- Work on the tailings impoundment will start in June
 - Completion of project is expected by the end of July
- The drilling program started the first week of May and is complete
 - **Q:** What were the results?
 - **A:** We do not have the results at this time.

[Wildlife Habitat Council](#) (WHC) — Maaïke Schotborgh highlighted the importance of partnerships for biodiversity conservation and STEM education initiatives as part of the company's commitment to sustainable development through environmental stewardship and social responsibility.

Freeport-McMoRan has been a WHC member since 2006 and has 15 certified programs under the Conservation Certification that span biodiversity conservation, environmental education and community outreach globally. In Ajo, a pollinator habitat enhancement project was established in 2012 outside the company's administration building. This garden, serves as an opportunity to promote conservation education for the community.

Community Engagement Update

Our Commitment to Social Investing — The Freeport-McMoRan Social Investment programs are designed to ensure that resources are used effectively to address high-priority needs and facilitate local capacity building to sustain communities when our operations cease.

- **STEM Grants** — 66 applications received for North America
 - Ajo High School received \$5,000 towards their STEMWorks Program to Enhance High School Science
- **Mini-Grants** — Application window is May 1 to October 1

Ajo Operations and Ajo Improvement Company were proud to partner on the below initiatives and projects in Q1:

- Ajo Gibson Volunteer Fire Department
- Ajo Unified School District — Sr. Class Trip
- Ajo Country Club — Fiddler’s Contest
- Ajo Golf Course (in-kind)
- Ajo Cemetery (in-kind)

Visit freeportinmycommunity.com for more information.

Each April, Freeport-McMoRan employees around the world volunteer for **Global Volunteer Month**. The theme this year is “**Health & Wellness.**” We feel it is our responsibility to give back to the communities where we live and work, and Global Volunteer Month is a great opportunity to do this. In Ajo, employees participated in a blood drive.

DreamBuilder — The Women’s Business Creator. Dreambuilder consists of a series of 13 classes, delivered online through web-based learning technology.

A new “Financing Your Dream” course — in celebration of International Women’s Day, the English-language version of the new Dreambuilder course called “Financing Your Dream” was launched on the platform on Wednesday, March 8.

The course takes about two hours to complete and must be finished in one sitting. For more information please visit dreambuilder.org.

The MAP Dashboard project is intended to measurably improve Southern Arizona through data driven collective civic action and education.

Jennifer Pullen from the University of Arizona presented to the CPP highlighting how data specific to Ajo can be pulled. She talked about how the data can show a link to business retention and attraction.

The Arizona Diamondbacks Foundation will recognize 10 D-backs MVTs (Most Valuable Teachers) each month (50 total).

- The winning teachers will be selected from community nominations submitted online: Dbacks.com/MVT
 - Nominations will be accepted for teachers from public, private and charter schools in the State of Arizona; nominations will take place from March 1 – July 31, 2017
 - Each winning teacher will win a \$1,000 grant for their classroom and pregame on-field recognition
 - Students and leadership from winning schools will be invited to the game

- In September, the D-backs will recognize and award the Teacher of the Year — providing a \$5,000 grant

Community Survey — Freeport-McMoRan is proud to partner with the Ajo community. We continually strive to support programs and projects that promote long-term prosperity and sustainability, and ensure a productive relationship with local citizens.

We are interested in ongoing feedback and encourage all community members to let us know how we are doing and what we could do better as a community partner.

Please complete an online survey posted **now through July 30, 2017**, by visiting FreeportInMyCommunity.com.

Community Discussion Summary

Leadership Initiative for Sustainable Communities

During the second quarter, the Panel welcomed the Ajo Cohort to present an update related to their work around increasing the number of businesses developed, attracted and/or retained.

Two surveys (one for [business owners](#) and one for [customers](#)) are available to help better understand needs. The initial survey data is showing service gaps within the community and potential business opportunities.

The CPP Meets on a quarterly basis — for more information please contact Jessica Knowlton at jknowlto@fmi.com.
