

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Summary

Bagdad February 1, 2018

Purpose

The <u>Community Partnership Panel</u> is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

Industry/Business Update

Our skilled and versatile team finds, extracts, processes and provides the raw material that connects the world. From our mine sites and processing facilities to our corporate office, explore the career opportunities available to you!

We are committed to developing skills and employment opportunities for the people in our communities through our support of education and business development.

Current expanding workforce requirements offer opportunity for rewarding careers at Freeport-McMoRan,

In 2018, the company plans to hire approximately 700 people in Arizona.

Community Engagement Update

Freeport-McMoRan has been honored by Forbes with inclusion into its 2018 <u>Just 100:</u> America's Best Corporate Citizens listing.

The listing appears in a Special Edition of Forbes honoring the magazine's 100th year of operation. The company ranked 49th and was the second-highest ranking company in the "Basic Resources" category of industry types. Forbes releases the annual list in partnership with Just Capital. It ranks the largest publicly traded U.S. corporations on worker pay and treatment, customer respect, product quality, environmental impact and other various categories.

Freeport-McMoRan Foundation Investments - Grant Opportunities/Social Investing

<u>Mini-Grants</u> for Education are designed to support K-12 teachers and schools in Freeport-McMoRan communities. In 2017, \$39,595 was invested through the Mini-Grant's process.

In Bagdad, one grant was awarded:

Bagdad High School — Fun in Science

<u>STEM Innovation Grant</u> — March 15th is the deadline to apply.

These grants are designed to support K-12 teachers and schools in their efforts to develop, improve or expand innovative instructional programs in science, technology, engineering and math (STEM).

During the fourth quarter, Bagdad operations was proud to partner on the below initiatives and projects:

- Bagdad Core Committee
- Aguila Volunteer Fire Department Baseball field
- Hualapai Tribe Youth Taekwondo Summer Camp
- Dennis Pike American Legion Flag maintenance
- Owens Elementary School Christmas prizes

Community Discussion Summary

Leadership Initiative for Sustainable Communities

During the first quarter, the Panel welcomed the Bagdad Cohort (BLLL) to present an update related to their work around Bagdad Life Long Learning.

BLLL continues to work on their branding exercise to promote their work around the theme of Bagdad Life Long Learning.

Over the past year, BLLL has worked collaborativley with CORE, the Bagdad School District and most recently the Prescott Chamber of Commerce and Yavapai Community College, which has brokeraged a relationship for credit and non-credit classes, as well as APS and the Yavapai Regional Medical Center.

Recently, BLLL hosted their first official event alongside Charles Schwab. These six workshops provided resources and tools related to financial planning. Those who attended were very involved and engaged in the workshop.

The CPP Meets on a quarterly basis — for more information please contact David Hernandez at dhernand@fmi.com.
