

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Summary

Bisbee

March 16, 2017

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

Artisanal Mining and the local safety risks – the illegal trespassing on Freeport-McMoRan property in search of minerals has the potential to be very dangerous. We ask that you all help us spread the word on the risks associated with these activities.

Industry/Business Update

Q: Is Bisbee on the restart list?

A: Not at this time.

Sulfate Mitigation

- Long-term groundwater monitoring, an option selected by ADEQ, is continuing

Stockpile Reclamation

- The Reclamation Crew relocated to Miami at the first of the year and plans to return at a later date to continue with stockpile reclamation at the Copper Queen Branch

Copper Queen Branch

- The transition to operation of the Queen Mine Tour by a not-for-profit foundation was proposed to the Bisbee City Council
- Three historic ore cars were donated to the City of Bisbee
- Two obsolete buildings in the Junction Yard were demolished

Community Engagement Update

Freeport-McMoRan employees raised more than \$7 million during the **2016 United Way Campaign**. At Bisbee's Copper Queen Branch, \$4,639 was pledged.

Freeport-McMoRan was named to the Just 100: America's Best Corporate Citizens by Forbes!

Freeport-McMoRan was the top-rated company in the Materials industry. To compile the Just 100, Just Capital surveyed more than 50,000 Americans to determine what they consider to be the most important corporate traits. The survey results were used to derive 36 components that feed into 10 different drivers of company behavior. Nearly 900 companies were evaluated and ranked on those components, and their ensuing scores were utilized to come up with an overall score for their industry.

Dig Into Mining hosted a Day of Learning Virtual Field Trip at the end of 2016. This Day of Learning, was an exclusive behind-the-scenes look into the mining industry at Freeport-McMoRan, highlighted a different phase of the mining process. In an effort to reach a variety of classrooms and students throughout the course of the day, the Day of Learning had a flexible viewing schedule where classrooms could tune-in for one segment or stay for the whole program. Each segment was paired with a customized companion activity to enhance students' learning. The segments included, Mine Exploration & Mine Planning, Hydrometallurgical Process, Pyrometallurgical Process and Reclamation.

- Participation was the highest to date for Dig Into Mining with an estimated 120,000+ student viewership.
- Approximately 1,000 classrooms and 36,000 students registered for the virtual field trip
- Participants came from 46 states and the District of Columbia

Leadership Sustainable Communities Initiative

During the first quarter, the Panel welcomed the Bisbee Cohort to present an update related to their work around increasing the number of businesses developed, attracted and/or retained.

The Cohort is working to advertise “Bisbee is Open for Business,” highlighting what Bisbee has to offer for specific business markets.

The CPP meets on a quarterly basis — for more information please contact Jessica Knowlton at jknowlto@fmi.com
