Employment levels are at approximately 757 with a budget of approximately 820 at 75% production rate.

### **Community Engagement Update**

Each year Freeport-McMoRan partners with **United Way** to ensure that a range of charitable health and human service organizations — in addition to the ones employees support — have the financial resources to provide critical services to those in need. The company's 2016 campaign will run from **October 28 through November 18**. To enhance employee donations, the Freeport-McMoRan Foundation will double match the first \$1,000 donated and single match any amount above \$1,000 to United Way.

The Freeport-McMoRan Foundation is proud to partner with the Boy and Girl Scouts near our operations. In 2016, **\$50,000** was invested with local councils to support personal development, leadership experiences, financial literacy, STEM, community service and outdoor activities, etc.

In Green Valley/Sahuarita, the Girl Scouts Of Southern Arizona, Inc. and Catalina Council, Boy Scouts Of America received support for scouting outreach and direct services.
