

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Summary

Climax-Area
May 4, 2016

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

As the weather improves be aware of road bikers and slow down. If you are a road biker, try to share the road and be aware of those around you.

Industry/Business Update

Colorado Operations

Henderson Operations headcount/actual	325/340
Climax Operations headcount/actual	387/416

Community Engagement Update

Global Volunteer Month - Freeport-McMoRan employees around the globe are volunteering during the Company's 14th annual Global Volunteer Month.

- Lake County High School/Leadville Lions Club Annual Career Fair
 - 8 employees from Climax Mine's Environmental, HR, Engineering, Warehouse & Geology departments participated.
 - Students got the chance to talk with invited professionals from a wide array of occupations at the. Students chose from the six Colorado Career Cluster Model pathways: 1) Agricultural & Natural Resources, 2) STEM, Arts, Design & Information Technology, 3) Skilled Trades & Technical Sciences, 4) Health Sciences & Public Safety, 5) Hospitality, Human Services & Education, 6) Business & Public Administration. The format allows students to spend approximately 50 minutes in their areas of interest where they can interact with a variety of presenters and get a chance to ask questions. 50 presenters and 350 students attended.
- Frisco Elementary STEM Maker Space Redesign
 - Employees and parent volunteers redesigned an area near the media center into a Maker Space. Just after the project was completed the Colorado Education Initiative and 3 school districts from around Colorado toured Frisco Elementary. The State of Colorado is recognizing the school as a leader in STEM.

- Advocates of Clear Creek County Garage Sale Benefit
 - 24 Henderson employees helped to collect and move Henderson furniture, additional employees and community members will set-up the garage sale to benefit the Advocates which has been postponed to June.

“Dig Into Mining – The Story of Copper” is a dynamic e-learning platform that delivers cutting-edge educational content designed to engage 21st century middle school classrooms. Developed in partnership with Discovery Education, the initiative provides students with a first-hand look into how the earth’s resources shape the world geologically, historically and economically.

PROGRAM HIGHLIGHTS:

- 160,000 + total page views
- 450,000 + students reached through curriculum resources
- 200,000 + students engaged through digital interactives
- 200,000 + PR impressions

Community Discussion Summary

ASU Lodestar Center for Nonprofit Philanthropy and Innovation led a collaborative discussion around the **Leadership Initiative for Sustainable Communities** which resulted in the Climax-Area identifying Community & Economic Development as the community priority and Increased Accessible/Attainable Housing as the community outcome that the Initiative would focus on. Throughout the year, ASU Lodestar will work with the community to help establish a leadership cohort and provide the resources needed to move through a process of addressing improvements in Increased Accessible/Attainable Housing.

The CPP Meets on a quarterly basis – for more information please contact Tara Hosick at tara_hosick@fmi.com.
