Community Engagement Update

Global Volunteer Month — Freeport-McMoRan employees around the globe volunteered during the Company's 14th annual Global Volunteer Month in April. This year's theme was "Freeport-McMoRan Gives Back — Transforming Tomorrow Together" and focused on projects designed for employees to put teamwork into action in ways that improve the quality of life in our local communities.

- Southeastern Arizona Employees participated in 11 projects and donated 320 hours back to their local communities.
- Partner organizations included: Greenlee County 4H, Duncan PTA, Discovery Park, Eastern Arizona College Engineering and Chemistry Departments, the Southeastern Arizona Sportsmens Club, Special Olympics, and the Morenci School District.

Volunteer Excellence Award

Freeport-McMoRan Foundation's annual volunteer recognition program recognizes employees annually for their meaningful volunteer service. This award honors three employees who have demonstrated exceptional dedication and commitment to building stronger communities through volunteerism. Visit [FreeportInMyCommunity.com](#) for more information.

The Community Investment Committee will review the applications during the month of June with rankings and interviews occurring during the month of July and grant recipient notifications by August 1st.

“Dig Into Mining – The Story of Copper” is a dynamic e-learning platform that delivers cutting-edge educational content designed to engage 21st century middle school classrooms. Developed in partnership with Discovery Education, the initiative provides students with a first-hand look into how the earth’s resources shape the world geologically, historically and economically.

PROGRAM HIGHLIGHTS:

- 160,000 + total page views
- 450,000 + students reached through curriculum resources
- 200,000 + students engaged through digital interactives
- 200,000 + PR impressions
- 140,000 + virtual field trip participants

Community Discussion Summary

ASU Lodestar Center for Nonprofit Philanthropy and Innovation led a collaborative discussion around the **Leadership Initiative for Sustainable Communities** which resulted in Globe-Miami identifying **Economic Development** as the Community Priority and **Increase Number of Businesses Developed, Attracted and/or Retained** as the outcome the Initiative would focus on. Throughout the year, ASU Lodestar will work with the community to help establish a leadership cohort and provide the resources needed to address priorities.

The CPP meets on a quarterly basis — for more information please contact Sean Wenham (Sean_Wenham@fmi.com) or Emily Muteb (Emily_Muteb@fmi.com).
