

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Summary

Grand County
February 2, 2017

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

CDOT highway signs highlighted the fact that there have been 33 traffic related deaths already this year and we are only on day 32 of 2017. An average of 17% of Coloradans still say they don't wear their seatbelts even when 50% of traffic deaths are of people who were not wearing their seatbelts.

Industry/Business Update

For the most recent FCX financial information please visit: [Freeport-McMoRan Investor Center](#)

- Employment Headcount:
 - Henderson Forecasted Employment/Actual Employment: 340/312
 - Climax Forecasted Employment/Actual Employment: 418/371
- Climax Mine Health and Safety Team received the Company's FCXtraordinary recognition for their quick thinking when a contractor was suffering from the effects of high altitude

Mining Life Cycle discussion

- At a 10 million pound annual production rate, Henderson will exhaust broken reserves in 2020
- Working to understand care and maintenance and what it would require to implement a development project and the full spectrum of what that would entail

Henderson Environmental highlights

- Colorado Parks and Wildlife found tadpoles from two different egg masses after several years of no breeding activity at URAD; Chytrid fungus tests came back negative
- Installed a new educational sign around mining history, reclamation, habitat and biodiversity at URAD
- Now have seven bee hives at the mill; produced 15 pounds of honey in 2016

Climax Environmental highlights

- Climax mine was recognized at the Environmental Champion of the Year by Summit Chamber of Commerce last week

Community Engagement Update

Freeport-McMoRan employees raised more than \$7 million during the **2016 United Way Campaign**.

Colorado Employee giving was \$71,193; when coupled with the Company Match, it totaled \$200,412.

Freeport-McMoRan was named to the Just 100: America's Best Corporate Citizens by Forbes!

Freeport-McMoRan was the top-rated company in the Materials industry. To compile the Just 100, Just Capital surveyed more than 50,000 Americans to determine what they consider to be the most important corporate traits. The survey results were used to derive 36 components that feed into 10 different drivers of company behavior. Nearly 900 companies were evaluated and ranked on those components, and their ensuing scores were utilized to come up with an overall score for their industry.

For the full [Just 100 list](#), methodology, and more, visit forbes.com/just100.

[Mini-Grants for Education](#) are designed to support K-12 teachers and schools in Freeport-McMoRan communities. Over **\$31,000** was invested through the Mini-Grant's process in 2016.

Colorado operations area received 14 Mini-Grants for Education for a total of \$7,000.

- Breckenridge Elementary School • Dillon Valley Elementary • Red Canyon High School
- Clear Creek School District • Summit Middle School • Georgetown Community School • West Grand High School • West Grand Elementary School • West Grand Middle School

March 15th is the deadline to apply for STEM Innovation Grants! These grants are designed to support K-12 teachers and schools in their efforts to develop, improve or expand innovative instructional programs in science, technology, engineering and math (STEM). Visit FreeportInMyCommunity.com for more information.

Dig Into Mining hosted a Day of Learning Virtual Field Trip at the end of 2016. This Day of Learning, was an exclusive behind-the-scenes look into the mining industry at Freeport-McMoRan, highlighted a different phase of the mining process. In an effort to reach a variety of classrooms and students throughout the course of the day, the Day of Learning had a flexible viewing schedule where classrooms could tune-in for one segment or stay for the whole program. Each segment was paired with a customized companion activity to enhance students' learning. The segments included, Mine Exploration & Mine Planning, Hydrometallurgical Process, Pyrometallurgical Process and Reclamation.

- Participation was the highest to date for Dig Into Mining with an estimated 120,000+ student viewership.
- Approximately 1,000 classrooms and 36,000 students registered for the virtual field trip
- Participants came from 46 states and the District of Columbia

In Morenci, over 30 employees visited the Fairbanks Middle School for a viewing party. The students watched the event and completed an activity with the employees.
