

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Summary

Sierrita

February 16, 2017

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

Continued Safe Production at 75% of capacity with focus on high energy events and fatality prevention.

Industry/Business Update

For the most recent FCX financial information please visit: [Freeport-McMoRan Investor Center](#).

Employment is currently at 781 with, a budget of approximately 847 at 75% production rate.

Overview of tailings storage facility.

Community Engagement Update

Freeport-McMoRan employees raised more than \$7 million during the **2016 United Way Campaign**. Employees at Sierrita and Tucson pledged \$309,105, which was matched by the company.

Freeport-McMoRan was named to the Just 100: America's Best Corporate Citizens by Forbes!

Freeport-McMoRan was the top-rated company in the Materials industry. To compile the Just 100, Just Capital surveyed more than 50,000 Americans to determine what they consider to be the most important corporate traits. The survey results were used to derive 36 components that feed into 10 different drivers of company behavior. Nearly 900 companies were evaluated and ranked on those components, and their ensuing scores were utilized to come up with an overall score for their industry.

For the full [Just 100 list](#), methodology, and more, visit forbes.com/just100.

Mini-Grants for Education are designed to support K-12 teachers and schools in Freeport-McMoRan communities. Over **\$31,000** was invested through the Mini-Grant's process in 2016.

In Green Valley/Sahuarita, 7 grants were awarded:

- Continental School District (2) — Math Manipulatives, LabQuest
- Sahuarita Unified School District (5) — Environmental Science and Sustainable Cities, Gamifying Vocabulary Acquisition, Historical Engineering, DNA Electrophoresis, Drops for Crops

March 15th is the deadline to apply for STEM Innovation Grants! These grants are designed to support K-12 teachers and schools in their efforts to develop, improve or expand innovative instructional programs in science, technology, engineering and math (STEM). Visit FreeportInMyCommunity.com for more information.

Dig Into Mining hosted a Day of Learning Virtual Field Trip at the end of 2016. This Day of Learning, was an exclusive behind-the-scenes look into the mining industry at Freeport-McMoRan, highlighted a different phase of the mining process. In an effort to reach a variety of classrooms and students throughout the course of the day, the Day of Learning had a flexible viewing schedule where classrooms could tune-in for one segment or stay for the whole program. Each segment was paired with a customized companion activity to enhance students' learning. The segments included, Mine Exploration & Mine Planning, Hydrometallurgical Process, Pyrometallurgical Process and Reclamation.

- Participation was the highest to date for Dig Into Mining with an estimated 120,000+ student viewership.
- Approximately 1,000 classrooms and 36,000 students registered for the virtual field trip
- Participants came from 46 states and the District of Columbia

Global Volunteer Month. Each April, Freeport-McMoRan employees around the world volunteer for Global Volunteer Month. The theme this year is "Health & Wellness." We feel it is our responsibility to give back to the communities where we live and work, and Global Volunteer Month is a great opportunity to do this. More information coming soon!

Freeport-McMoRan's Commitment to Social Investing. In 2017, the Freeport-McMoRan Foundation will make available \$450,000 in Green Valley/Sahuarita to invest in projects that align with community priorities.

From 2012 — 2016, the total investment for Green Valley/Sahuarita was \$4,550,388; more specifically:

- Community and Economic Development — \$1,573,219
- Education and Training — \$1,411,118
- Health and Wellness — \$1,201,972

- Environment — \$364,079

Leadership Sustainable Communities Initiative

During the first quarter, the Panel welcomed the Green Valley/Sahuarita Cohort to present an update related to their work around the outcome of “Increase Number of Businesses Developed, Attracted and/or Retained.”

Skip Breither provided an update on the meetings the group has had thus far and the discussion regarding the strategies that are being developed. He also spoke about the success of coordinating with other groups within the region for further discussion.

The CPP meets on a quarterly basis — for more information please contact Collette Brown at cbrown@fmi.com.
