

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Summary

Morenci Operations August 17, 2017

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

[Working Towards Sustainable Development Report](#) — is now available online.

[Civic 50](#) — For the fourth consecutive year, Freeport-McMoRan has been named to the Civic 50 list of most community-minded companies in the U.S., and this year also was named the top company in the materials sector.

Freeport-McMoRan's Commitment to Social Investing

During the second quarter, Morenci operations was proud to partner on the below initiatives and projects:

- Arizona Coaches Association/Duncan All-Star Football Game
- Local First Arizona/Rural Policy Forum
- Safford Center for the Arts/Concert Season Support
- Town of Clifton/Digital Marquee
- Town of Duncan/Town and School Capacity Building
- University of Arizona/Water Catchment System

Grant Opportunities

Social Investment Program – closed September 2

The Freeport-McMoRan Social Investment programs are designed to ensure that resources are used effectively to address high-priority needs and facilitate local capacity building to sustain communities when our operations cease.

Women's Development Grant Program – OPEN NOW through October 1

The Freeport-McMoRan Women's Development Grants program has been established with the goal of supporting programs and projects that focus on providing women and/or girls opportunities to reach their full potential and achieve economic success.

Mini-Grants for Education – Deadline October 1

Mini-Grants for Education are designed to support K-12 teachers and schools in Freeport-McMoRan communities. Grants of \$100 to \$500 will be awarded to support projects in the project categories below:

- Environment
- Mining, mineral and natural resources
- Reading and literacy
- STEM – Science, Technology, Engineering and Math

A school is eligible to receive up to four (4) mini-grants during each application period. Each applicant/teacher/classroom may receive one mini-grant award per school year.

Community Update: Overview of Local Governments

Representatives of the Town of Clifton, Town of Duncan, and Greenlee County provided an overview of their respective governments.

Community Discussion Summary

Leadership Initiative for Sustainable Communities

During the third quarter, the Panel welcomed the Greenlee County Cohort to present an update related to their work around the outcome of community infrastructure. The Cohort will focus their efforts on completing an improvement project at the Mares Bluff Trailhead in Clifton, as well as additional efforts at Veteran's Park in Duncan. The Mares Bluff project was awarded \$25,000 from the United Way of Graham and Greenlee Counties.

The CPP Meets on a quarterly basis – for more information please contact Emily Muteb at emuteb@fmi.com.
