## Community Discussion Summary

### [Leadership Initiative for Sustainable Communities](#)

During the second quarter, the Panel welcomed the Greenlee County Cohort to present an update related to their work around Infrastructure. The cohort utilized a rubric to evaluate a number of existing infrastructure studies, resulting in the choice of the Greenlee County Trails Study. The group completed additional research and community surveys to understand the various proposals within the study. The group is currently evaluating Mares Bluff Veteran's Memorial as a potential project.
