

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Summary

Grant County
June 8, 2016

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

Be aware of how stress can affect your overall health and take actions for relieving it (e.g., relaxation exercises, stretching and breathing exercises).

Industry/Business Update

For the most recent FCX financial information please visit: [Freeport-McMoRan Investor Center](#).

Employment

- Chino: 1,064
- Tyrone: 355

Community Engagement Update

Global Volunteer Month — Freeport-McMoRan employees around the globe volunteered during the Company's 14th annual Global Volunteer Month in April. This year's theme was "Freeport-McMoRan Gives Back — Transforming Tomorrow Together" and focused on projects designed for employees to put teamwork into action in ways that improve the quality of life in our local communities.

- February 2016 — participated in Expanding Your Horizons.
- April 2016 — cleaning and clearing vegetation in the Town of Hurley.

- May 2016 — assisted with the annual Tour of the Gila bike race and highway cleanups along sections of Highway 90 and 356.

“Dig Into Mining – The Story of Copper” is a dynamic e-learning platform that delivers cutting-edge educational content designed to engage 21st century middle school classrooms. Developed in partnership with Discovery Education, the initiative provides students with a first-hand look into how the earth’s resources shape the world geologically, historically and economically.

Program Highlights:

- 160,000 + total page views
- 450,000 + students reached through curriculum resources
- 200,000 + students engaged through digital interactives
- 200,000 + PR impressions
- 140,000 + virtual field trip participants

Cultural Heritage — Mescalero Apache School 7th grade students participated in traditional plant harvesting near Cobre Mine in April 2016.

Grant County Community Investment Fund — Nine organizations awarded \$362,150.

STEM Innovation Grant — Three schools received funding including Aldo Leopold Charter School, C.C. Snell Middle School and Guadalupe Montessori School.

First Quarter 2016 Local Funding (\$57,370) — WNMU & WNMU Foundation • NM Lions Club (Bayard Elementary School) • Gila Valley Library • Gila Wildlife Rescue • Town of SC • National Center for Frontier Communities • Deming MainStreet • Grant County Prospectors

Community Discussion Summary

ASU Lodestar Center for Nonprofit Philanthropy and Innovation led a collaborative discussion around the **Leadership Sustainable Communities Initiative**, which resulted in Grant County, NM identifying **Education** as the community priority and **Placement in Local Skilled Jobs** as the community outcome. Throughout the year, ASU Lodestar will partner with the community to establish a leadership cohort and provide resources needed to move through a process of addressing Placement in Local Skilled Jobs.

The CPP meets on a quarterly basis — for more information please contact Kevin Cook at kcook@fmi.com.
