

## Bisbee Connects: CPP Highlights Q1 2024

# THE POWER OF COPPER

Freeport-McMoRan is committed to keeping the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions and address community issues.

This *CPP Highlights* newsletter has been designed to provide highlights from our recent Community Partnership Panel.

## Company Updates

### Freeport-McMoRan Reports Fourth-Quarter and Year Ended 2023 Results

Richard C. Adkerson, Chairman and Chief Executive Officer, said, "We enter 2024 with a focus on strong execution of our operating and investment plans, optimism on market fundamentals and a relentless drive to enhance the value of our strong portfolio of assets. Our global team achieved success during 2023 on a number of important initiatives to enhance value, advance growth options and position us for the future."

### The Copper Mark

"Freeport is committed to the responsible production of copper and molybdenum, both of which are critical to the clean energy transition. We demonstrate this commitment through the Copper Mark, a comprehensive assurance framework that promotes responsible production processes."

– Bill Cobb, *Vice President and Chief Sustainability Officer*

Freeport-McMoRan has achieved the Copper Mark at all 12 of its copper producing sites globally and has achieved the Molybdenum Mark at its two primary molybdenum mines, four copper mines that produce by-product molybdenum and at its molybdenum conversion facilities. For more information about The Copper Mark, visit [coppermark.org](https://coppermark.org)

## Site Operation Updates

### Operations Update

#### Bisbee/Douglas Voluntary Soil Remediation Program Update

- Open to those few property owners who did not participate in soil testing during the previous voluntary programs
- Solicitation letters were sent, and open house events were held in Bisbee and Douglas in Q4 2023
- A second round of solicitation letters will be sent in March 2024 followed by door-to-door canvassing
- Sampling expected to begin during the first half of 2024
- Call Soil Program - 520-432-5418 or 866-930-3244 to schedule an appointment

#### Precipitation Plant

- Initiated demolition of former Precipitation Plant, an APP requirement

# SOCIAL PERFORMANCE: 2023 YEAR IN REVIEW

Check out the below highlights from 2023, and view the full infographic, [here](#).

## Investment

“Transforming Tomorrow Together” means that we work collaboratively with communities to make transformative change and increase opportunity, wellbeing and capacity.

---

### Investment Highlight:

**\$276,870** dollars invested\*

*\*Investment total includes  
Freeport-McMoRan  
Foundation and Bisbee  
investment totals*

---

## Engagement

In every community where we operate, from Safford, AZ to Silver City, NM to Arequipa, Peru, we aim to work in partnership to help communities build their own sustainable futures.

---

### Engagement Highlight:

#### Expanding Minds at Mines...

Summer 2023, the Copper Queen Branch partnered with the Bisbee Boys and Girls Club to provide a mine field trip to area youth. Participants learned about geology and mining and had the opportunity to be “geologist for the day” and collect rock samples. These tours provided an opportunity to learn about careers in mining, while providing practical experiences for concepts learned in the classroom.

---

## Priority Impacts

We are committed to making a long-term, positive impact on our communities. We understand that these efforts need to be viewed across years to gauge the true outcomes of our investments.

---

### Priority Impacts Highlight:

**847** individuals with protected and improved health, or gained safety

**132** individuals supported to access post-secondary education

**46** jobs created or saved

*These are actual and forecasted impacts from programs funded through the Bisbee Community Investment Fund since 2018 as reported by the organization in True Impact.*

---

**Grievance Management**
