United Way Campaign — Freeport-McMoRan partners with United Way and runs an employee campaign to raise funds for the United Way Chapters located in our operating communities.

- Campaign Dates: November 1 — 22

In 2017, the Freeport-McMoRan Foundation matched employee donations to the United Way campaign for a Foundation investment of \$21,000 in Ajo. The funds, provide support to regional nonprofit organizations with projects and programs ranging from education, arts/culture, to health and wellness.

Freeport-McMoRan Foundation Investments

Domestic Violence Safety and Shelter Initiative — Freeport-McMoRan has provided ongoing operating support for shelters and service providers to provide victims of domestic/gender-based violence with opportunities to live free of violence, rebuild their lives and achieve independence. Our support for this initiative totals over \$3 million, working with shelters and service providers in communities in or near where we operate.

Boy and Girl Scout Grant — Freeport-McMoRan provides grant opportunities for Boy and Girl Scout Chapters that service youth in or near our operating communities. In 2017, \$30,000 was distributed to chapters throughout Arizona and New Mexico. In Ajo, the Girl Scouts of Southern Arizona and Catalina Council Boy Scouts of America received support.

Grant Opportunities / Social Investing

STEM Innovation Grant — March 15th is the deadline to apply.

These grants are designed to support K-12 teachers and schools in their efforts to develop, improve or expand innovative instructional programs in science, technology, engineering and math (STEM).

Freeport-McMoRan's Commitment to Social Investing. During the third quarter, the Ajo operations was proud to partner on the following initiatives and projects:

- Ajo Gibson Volunteer Fire Department

Community Discussion Summary

Leadership Initiative for Sustainable Communities

During the fourth quarter, the Panel welcomed the Ajo Cohort to present an update related to their work around the outcome of increasing the number of businesses developed, attracted and or retained.

The Ajo Cohort continues to work on addressing the business need in the community. Most recently they conducted a “pass through” survey targeting Ajo visitors. Data is still being analyzed. The Cohort has also applied for funding to develop a package of services to support local businesses.
