

TRANSFORMING TOMORROW TOGETHER

Community Partnership Panel Meeting Summary

Site: Climax-Area – Climax Mine

Date: Wednesday, May 2, 2018

Purpose

The [Community Partnership Panel](#) is hosted by Freeport-McMoRan to keep the community informed about operational activities and to foster open and ongoing dialogue to develop thoughtful solutions to address community issues.

Safety Share

The safety and health of all Freeport-McMoRan (FCX) employees, along with our commitment to the environment, are of the highest priority. Our objective is zero workplace injuries and occupational illness.

Remembering to be prepared to drive in all conditions is important in Colorado. Weather like this afternoon is the perfect reminder to prepared for changing conditions; do not take those snow tires off quite yet and have extra windshield wiper fluid on hand so you do not put yourself in danger by having to stop on the side of the road to wash your dirty windshield off with snow or a water bottle.

Industry / Business Update

For the most recent FCX financial information please visit: [Freeport-McMoRan Investor Center](#)

- **Headcount**
 - **Climax Operations** 363 of a 450 forecast
 - **Henderson Operations** 347 of a 389 forecast
- **Climax Operations Environmental update**
 - Continued construction of phase one of our wetland mitigation project at Lake Irwin/Robinson Tailings Storage Facility.

College Intern Program – Since 2007, Freeport-McMoRan has been hiring college interns, giving them the opportunity to work on professional projects and gain relevant hands-on experience!

- Climax Operations will hire 14 interns for the 2018 summer. These interns will be working in a variety of departments including: Metallurgical Engineering, Mechanical Engineering, Geotechnical Engineering, Electrical Engineering, Geology, Civil Engineering, Process Automation Engineering, Mining Engineering, Geomechanical

Engineering, Accounting, Human Resources, Global Supply Chain, Environmental Engineering, Health & Safety/Industrial Health.

Community Engagement Update

Freeport-McMoRan Foundation Investments – Grant Opportunities / Social Investing

STEM Innovation Grants are designed to support K-12 teachers and schools in their efforts to develop, improve or expand innovative instructional programs in science, technology, engineering and math (STEM). In total, Freeport-McMoRan invested \$103,000.

Four projects for \$5,000 each were awarded in Colorado Operations, two in the Climax Mine area and two in the Henderson Operations area for a total of \$20,000.

- Eagle County Schools – STEM EXPO
- Breckenridge Elementary – Operationalizing Maker Space
- East Grand Middle School – NAO Robots
- Clear Creek High School – CCCHS Robotics Team

During the first quarter, the Climax Operations were proud to partner on the below initiatives and projects through **Quarterly Site Investments**:

- Rocky Mountain Society of Women Engineers - Girls in STEM event support
- Family & Intercultural Resource Center - annual fashion show fundraiser
- Summit County Community Care Clinic - Soup for the Soul fundraising support
- Leadville Boom Days - event support
- National Repertory Orchestra - fundraising support
- National Mining Hall of Fame & Museum - Wine at the Mine fundraising support
- Summit County Chamber of Commerce - Business Excellence awards
- High School Scholarships & After Prom support
- Collegiate Peaks Forum - educational lecture support
- Breckenridge Film Festival - educational outreach and programming support
- The Cycle Effect - girl's mountain bike safety equipment
- Summit County Rotary - health and hunger programs support
- Leadville Lions Club - 9health fair & career fair support
- Eagle River Youth Coalition - community resource fair support
- Eagle Valley Land Trust - Legacy Festival support
- Lake County Community Fund - Community Resource Center board training support
- Breckenridge Music Festival - Leadville music in the schools program support

Freeport-McMoRan employees around the globe volunteered during the Company's annual **Global Volunteer Month**. Projects are designed for employees to put teamwork into action in ways that improve the quality of life in our local communities!

Colorado employees had volunteer opportunities in various events and projects including 9Health Fairs throughout the region, community clean-up days, and Girls in STEM day, hosted by Society of Women Engineers.

Geoff Guthrie, Summit Stage Operations Manager provided an update on **Regional Transportation**.

The Climax-Area Community Investment Committee interviewed nine finalist organizations. The **Climax-Area Community Investment Fund** has \$300,000 available to support projects that address identified community priorities and encourage a strong focus on local capacity-building, community development and sustainability. Selected organizations will receive checks and a media advisory will be available on May 30th.

[Leadership for Sustainable Communities Initiative](#)

During the meeting, the Panel welcomed Amy Tait with the Climax-Area Cohort to present an update related to the work around access to attainable and affordable housing. The [Housing Coalition](#) hosted a meeting on May 2nd with a presentation by Read McCullough on Community Land Trusts as a way to build and preserve permanently affordable housing. A second Community Housing Meeting will be held on May 30th where Economic Planning Systems will present their findings on Lake County's affordable housing needs, including various potential solutions.

Adjournment

The CPP meets on a quarterly basis – for more information please contact Nell Wareham at nwareham@fmi.com or visit www.freeportinmycommunity.com
