## **Community Discussion Summary**

### **Leadership Initiative for Sustainable Communities**

During the first quarter, the Panel welcomed Victor Gonzalez who led the Green Valley/Sahuarita Cohort to present an update related to their work around Economic Development, Business Retention and Attraction.

The cohort as initially facilitated through Freeport-McMoRan will no longer meet to ensure the members can continue to support existing initiatives that are being driven by the community.

Victor highlighted the work that is being done by the Sahuarita Food Bank initiative around ending poverty and driving sustainability of families, including resource accessibility and workforce development, the Sahuarita WINS group who is targeting education and the Green Valley Sahuarita Chamber of Commerce initiative to drive value for their business community.
