

SOCIAL PERFORMANCE: 2023 YEAR IN REVIEW

Miami

Transforming tomorrow together

Year In Review | Freeport-McMoRan is committed to fostering open and ongoing dialogue to develop thoughtful solutions and address community issues. “Transforming Tomorrow Together” means that we work collaboratively with communities to make transformative change and increase opportunity, wellbeing and capacity. We are pleased to highlight some of our key work from 2023 and look forward to a productive 2024 with you.

INVESTMENT

\$1M+ DOLLARS INVESTED

One recipient of Freeport-McMoRan Foundation funds, Besh Ba Gowah Archeological Exhibit and Museum, received \$160,000 for the preservation of the exhibit, allowing visitors additional opportunities to explore the diverse aspects of its cultural prehistoric history.

“The impacts of the Freeport-McMoRan Community Investment will reach back in time prehistorically to 1225 AD and revitalize the Besh Ba Gowah Archeological Park, to allow future generations access the Salado culture of the past.”

-Connie Callaway, Grants Manager, City of Globe

ENGAGEMENT

A COMMUNITY PARTNERSHIP...

“We are excited to be able to increase our impact in the community of Globe as we open the Client Choice Food Pantry and could not have done so without the generous support of Freeport-McMoRan.”

- Lt. Colonel Olin Hogan, Director of The Salvation Army Service Extension Programs

In April 2023, Miami employees partnered with the Salvation Army Globe Service Extension Office to transition their daycare program to a food pantry. The Miami site supported the creation of the Client Choice Food Pantry with a \$5,000 contribution and volunteered technical support. The new food pantry provides community members with the opportunity to shop for food, and promotes a healthier lifestyle for all members.

PRIORITY IMPACTS

158

INDIVIDUALS SUPPORTED TO ACCESS POST-SECONDARY EDUCATION

116

These are actual and forecasted impacts from programs funded through the Miami Community Investment Fund since 2018 as reported by the organization in True Impact.

THE COPPER MARK

Freeport-McMoRan has achieved the Copper Mark at all 12 of its copper producing sites globally and has achieved the Molybdenum Mark at its two primary molybdenum mines, four copper mines that produce by-product molybdenum and at its molybdenum conversion facilities.

“Freeport is committed to the responsible production of copper and molybdenum, both of which are critical to the clean energy transition. We demonstrate this commitment through the Copper Mark, a comprehensive assurance framework that promotes responsible production processes.”

- Bill Cobb, Vice President and Chief Sustainability Officer
